

AND WE ARE...

Pacific Chamber Symphony educational programs have brought classical music to over 200,000 Bay Area children through full orchestra concerts for kids, maestro visits to school classrooms, school assembly performances, master classes for music students, and training in our Tri-Valley Youth Orchestra.

Pacific Chamber Symphony has been honored to perform for significant occasions such as the United Nations' 60th Anniversary World Concert Celebration held at Grace Cathedral in June 2005.
